APPLICATION COVERSHEET—PART A

To the regional director of the International Baccalaureate Organization (IBO), for permission to implement the Middle Years Programme as a candidate school

Official name of prospective MYP candidate school:

Incline Middle School

On behalf of the above-named school, I request permission from the IBO to implement the Middle Years Programme (MYP) as a candidate school preparing for official authorization. Information about the school is supplied on the attached form and in the accompanying documents. The relevant application fee is included.

Planned start date for the implementation of the programme:

(Please refer to articles 8–9 of *Application procedure for candidate schools*.)

August 2010

I confirm that I have read the following documents and agree to abide by the regulations, criteria and conditions stated therein:

- *Application procedure for candidate schools*
- *Rules for authorized schools: Middle Years Programme*
- *General regulations: Middle Years Programme*
- *MYP guide to school application*
- *MYP school guide to the authorization visit.*

I understand that acceptance as a candidate school by the IBO regional office does not guarantee future authorization to offer the MYP. The final decision on the application for authorization is reached by the IBO director general after submission of the *MYP application form part B* and after an authorization visit, by an IBO visiting team, has taken place.

I confirm that the school will not advertise or otherwise imply that it is authorized to offer the MYP unless, and until such time as, the school receives notification of authorization from the IBO director general, Geneva. Should permission to implement the MYP as a candidate school be granted by the regional office, the school will present itself as a candidate school preparing for authorization.

I agree that this electronic application form, whether signed electronically or not, will be understood by the IBO to have been read and endorsed by the head of the prospective candidate school, without a signed hard copy being necessary.

I understand and accept that any dispute arising from, or in connection with, this application or any other document relating to the authorization process shall be finally settled by three arbitrators in accordance with the *Rules of arbitration* of the Chamber of Commerce and Industry of Geneva. The seat of the arbitration shall be Geneva, Switzerland. The proceedings shall be confidential and the language of arbitration shall be English.

I further declare that, to the best of my knowledge, the information given on this form is correct.
